

Give Students More Opportunities for Success with Summer School

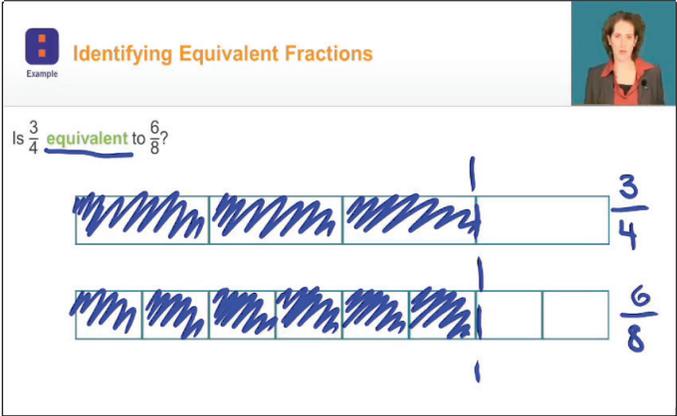

Engage and challenge students at all learning levels.

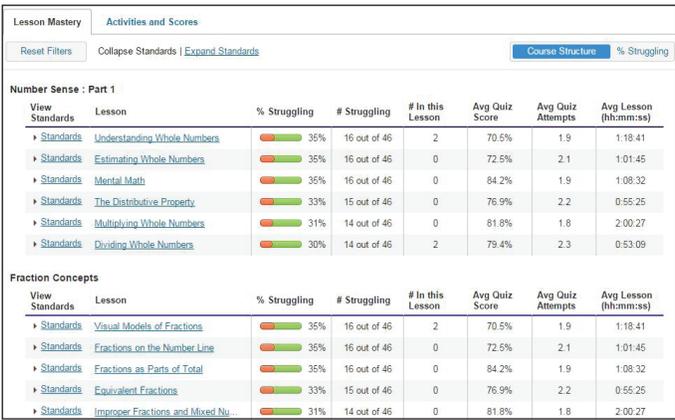

With Edgenuity's flexible online and blended learning options, rigorous curriculum, and innovative learning platform, we can work with you to develop a customized summer school program that accommodates a wide variety of academic goals.

Edgenuity's media-rich content provides students with a compelling and interactive way to learn.

- Help struggling students recover credits.
- Provide intervention in reading and math.
- Challenge gifted students.
- Prepare students for high-stakes tests.
- Provide a summer bridge program for incoming students.

Get student data in real time.

Number Sense : Part 1							
View Standards	Lesson	% Struggling	# Struggling	# In this Lesson	Avg Quiz Score	Avg Quiz Attempts	Avg Lesson (hh:mm:ss)
Standards	Understanding Whole Numbers	35%	16 out of 46	2	70.5%	1.9	1:18:41
Standards	Estimating Whole Numbers	35%	16 out of 46	0	72.5%	2.1	1:01:45
Standards	Mental Math	35%	16 out of 46	0	84.2%	1.9	1:08:32
Standards	The Distributive Property	33%	15 out of 46	0	76.9%	2.2	0:55:25
Standards	Multiplying Whole Numbers	31%	14 out of 46	0	81.8%	1.8	2:00:27
Standards	Dividing Whole Numbers	30%	14 out of 46	2	79.4%	2.3	0:53:09

Fraction Concepts

Edgenuity's reporting system helps teachers and administrators measure student engagement, progress, and achievement in real time. This data can then be used to mentor, coach, and adapt instruction to individual students, small groups, or an entire class.

Match your students' needs with our unique summer school models.

Edgenuity's summer school courses enable you to offer credit recovery, intervention, acceleration, and elective opportunities for your students. Whether you use our courses with your on-site school staff or our live, state-certified virtual instructors, Edgenuity's flexible learning options can fulfill the needs of any summer school program.

Instruction at School

Have teachers from your school or district teach the Edgenuity course on-site or at a central district location.

Instruction at Home

Use Edgenuity's live virtual instructors to let students learn completely online at home.

Instruction at School & Home

Provide Edgenuity's live virtual instructors to let students divide online learning between school and home.

Virtual Tutoring

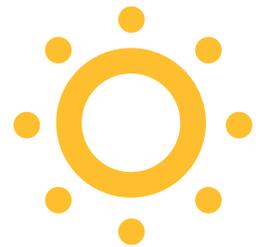

Offer Edgenuity's on-demand tutoring service to provide additional academic support online.

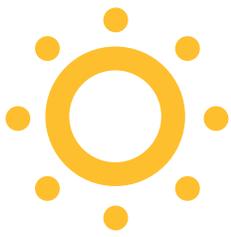

Summer Bridge Course Suite

Ensure your students' transition from eighth grade to ninth grade is successful with Edgenuity's summer bridge courses. This three-course suite includes:

- Algebra Readiness
- ELA Foundations
- Introduction to Online Learning

These mini-courses provide a strong foundation in the academic and study skills students need for high school. Each course features interactive instruction, practice tasks, assignments, and assessments. The summer bridge course suite is ideal for students who need targeted reinforcement to ensure they are ready for grade-level work once they start ninth grade.
